Rules:

All riders interested in BMX Racing are welcome to compete in the Suomi Cup races. Riders under the age of 10 and over 30 are not required to have a license, but each competitor is required to take care of their own insurance coverage.

BMX Suomi Cup competitions follow the UCI and Cycling Finland competition rules and the rules mentioned here, as well as the instructions and regulations issued by the competition organizer.

The BMX Racing Cup 2022 is open to riders from all countries, although it is a national series and its races are national races. Participation in the BMX Suomi Cup competition requires that the competitor born in 1993-2011 has a competition license issued by a federation under UCI. Each participant must have insurance that covers competition in Finland. All clubs check that the members of their own club have a valid competition license.

Instructions on getting the competition license can be found on Cycling Finland's website www.pyoraily.fi/license. All competitors participate in the competitions at their own risk and are responsible for the penalties they incur. The competitor must be aware of the dangers and risks of the competition. By registering for the competition, you give the competition organizer permission to publish: your name, gender, competition category and club in the registration or result lists. You also give permission to take and publish pictures of yourself during the competition.
